**The Human Edge** - Greg Orme 2019-11-15

The world is spinning so fast it's difficult to keep up. Two hundred and fifty years ago the Industrial Revolution replaced our arms and legs at work. The fourth Industrial Revolution is now replacing our brains. This technological shift is engulfing organisations and people. It's challenging the very essence of what it means to be human. Daily news headlines pose existential questions that used to belong in the pages of science fiction: Will a machine take my job? Are we becoming cyborgs? What happens when super computers become self-aware? If we can't compete with artificial intelligence, what's left?

Innovation guru Greg Orme provides a helpful, funny and supportive shove in the

right direction. He explores the skills you need to survive and thrive in a world of artificial intelligence. He urges you to stop competing, and instead do things machines can't. To become a more human, human. This is a practical toolkit to master three intrinsically human 'super powers': 1. To ignite your innate CURIOSITY in a world of accelerating change... 2. To rediscover your CREATIVITY to produce an avalanche of game-changing ideas... 3. To develop CONNECTIVITY to kindle the passion, persistence and insights to successfully engage fellow humans to turn human creativity into business innovation. These career-enhancing capabilities have been identified in Orme's work with business managers and organisations across the globe. They draw upon the latest psychological and neuroscience research, the unique philosophies of successful entrepreneurs, the practises of the world's most innovative companies, as well as the habits of great artists, designers and scientists. The Secret Behind The Forbidden Door

Alice was perpetually captivated by the aged mansion perched at the end of the street. Stories of its reclusive owner, who never ventured out of his isolated

abode, had always piqued her curiosity. Whispers circulated about his identity, ranging from a loner to a prodigy or even a eccentric, depending on the source. Alice yearned to unravel the truth behind these tales and uncover the secrets concealed within the bolted door on the second floor. Driven by an irresistible urge to delve into the mansions mysteries, Alice embarked on a audacious escapade. With a heart pounding with a mix of apprehension, she discreetly ventured into the mansions grounds, her senses heightened as she approached the restricted door on the second floor. Standing before the threshold, her hand trembling slightly as she reached for the doorknob, Alice braced herself for the revelations that awaited her beyond. With a deep breath, she turned the knob, the door creaking open to unveil a sight that would forever alter her perception of the world.
